## Who Uses Repeating Message Radio?

**REAL ESTATE SALES – DRIVE-THRUS – CHURCHES – TALKING SIGNS  
BILLBOARDS – AFTER HOURS SALES INFO – RV PARKS – AMUSEMENT PARKS**

### IS THIS LEGAL?

The FCC regulates all broadcasting in the USA. They have made provision for very low power AM broadcasting without a license. We refer to Part 15.219 of the FCC rules which allows for low power AM broadcasting by restricting the equipment, not the range it covers.

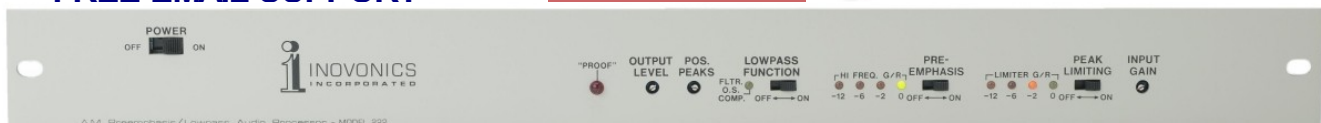

Here is the “Basic Transmission Package” You may upgrade to the Range-Star “extended range antenna (\$1000.00) and a required visit to certify the installation as meeting the FCC rules. (Call 888-830-8223)

### Package includes:

- (1) Rangemaster AM Transmitter
- (1) Choice of Tunable or Crystal
- (1) Inovonics AM Limiter
- (1) Mounting Kit to Pole
